## **STAFF EXPECTATIONS**

Staff is expected to carry out their responsibilities by:

1. Setting and modelling good examples of behaviour, demonstrating respect for authority and due process, and being respectful of parents, colleagues and students;
2. Acquiring the skill and techniques necessary to deal effectively with a wide range of student academic and behaviour needs;
3. Establishing and maintaining a pleasant, safe, orderly and respectful learning environment throughout the school;
4. Communicating information about student progress and achievement to students and parents.

## **PARENT EXPECTATIONS**

Parents are expected to be partners with E.A.M.S. and the Division in achieving a high quality of education for their children in a safe and secure environment. With this in mind, we expect parents to:

1. Be aware of School Division policies concerning standards of behaviour, attendance, and procedures for dealing with inappropriate behaviour and remediation;
2. Communicate with school staff concerning the scholastic achievement and personal development of their children/wards at scheduled student-led conferences and on other occasions as requested by either party;
3. Be supportive of good learning through a home environment that encourages good study habits, completion of assignments on time and enthusiasm for learning;
4. Encourage students to be respectful of Division staff, students, and property.

➤ **ARRIVAL, DEPARTURE, SIGNING IN AND OUT**

**Remember - the doors are locked until 8:30 am.**

Students arriving late must report to the office, sign in and get a late slip before proceeding to class.

**For signing out/early leaving** - At times throughout the school year students may have to leave school early for appointments, etc. Please send a note to school explaining the early leaving to the teacher or phone the school beforehand.

➤ **ATTENDANCE**

Regular and punctual attendance is of paramount importance to all students. This is not only basic to satisfactory achievement but it is an important factor in June for determining exemptions. All student absenteeism must be covered by an explanation from the parent/guardian. This can be done either through a **telephone call** from the parent or guardian or a **written explanation** sent to the school. For lengthy absences, it is expected the home will contact the school prior to the **start** of the absence, whenever possible.

➤ **ATTENDANCE AT SPECIAL EVENTS**

Attendance at school is always compulsory for all events. If, for some reason, attendance is optional a special letter will go home explaining this.

➤ **BICYCLES, ROLLERBLADES AND SKATEBOARDS**

When riding to or from school, obey all traffic signs and rules. When you have reached the school grounds, get off your bike and **WALK** with it to where you lock it up. **DO NOT ride your bike through the parking lot.** Students who persist in riding on the grounds during school hours will not be allowed to bring their bikes to school. If you bring your bike to school, be certain that you safeguard it with a **good lock**. The school cannot be responsible for bikes lost or stolen. **It is recommended that skateboards and roller blades not be brought to school.** If brought to school they fall under the above same guidelines.

➤ **BUS LOADING AND UNLOADING/EVACUATIONS**

a) This will be done on the North Side of the school only. (Bus loop)

b) Supervisors will be present both in the morning and at dismissal.

c) There is to be neither fooling around nor "horseplay" at these times. Students are not to be playing in the field or on play structures between 8:30 – 9:00 a.m., as there is no playground supervision (Supervision is for bus unloading only). Any students who are **NOT** bus students are asked not to wait with bus students at 3:30 p.m. due to congestion and supervision issues.

d) Loading and unloading must be done in a prompt and orderly fashion. **Please impress upon your child to catch the bus immediately after dismissal.** With the "shuttle" system now being used, the bus driver cannot wait more than 5 minutes at pick-up time.

e) Give all drivers your complete co-operation at all times.

f) Parents will be contacted by the Principal or Vice Principal if any student is causing a problem. If the problem continues, the student may lose the privilege of riding the bus.

g) Bus evacuation drills are held once a year for all students.

h) Students not taking a bus are expected to leave school grounds in a timely manner.

➤ **CARE OF SCHOOL PROPERTY**

- a) All students are expected to respect school property. The cost of any damage caused through student carelessness or through disobedience of school regulations will be charged in full to the student or students involved.
- b) Students who wilfully damage property will be charged for necessary repairs and will suffer serious disciplinary action.
- c) Where applicable students will also clean up any damage or defacing that they have done.
- d) Where damage occurs and responsibility for this damage cannot be discovered, the cost of repairs may be charged to the Student Council.
- e) Note – Whiteout and sunflower seeds are **NOT** permitted in the school. Students are discouraged from bringing any electronic devices or games, MP3s, video cameras, cameras or cell phones to school. The school is not responsible for these items should they be lost or stolen.

➤ **CELL PHONES**

It is expected that students bringing cell phones to school use them in a responsible manner, i.e. they must remain in the student's locker, turned off. Students found with, or using cell phones in the classrooms or hallways during classes or breaks will have their phone confiscated until hometime on the 1<sup>st</sup> offence. Subsequent and / or continued violations will result in a phone call to the parent / guardian to come and pick it up and may also result in suspension. For legal and privacy reasons students are prohibited from taking pictures of, or voice recording, or videotaping classroom activity or student and staff members without permission. NOTE: Any students found sharing pictures electronically, (internet, Facebook, etc) without knowledge and consent from all participants will be subject to suspension or possible expulsion. The RCMP may also be involved. **Please note that this applies to all school functions (field trips, dances, etc).**

➤ **CLASSROOM EXPECTATIONS OF STUDENTS**

Each teacher has developed a set of reasonable expectations and consequences that contribute to the instructional program, to classroom harmony and to the development of student responsibility.

➤ **CLASSWORK / HOMEWORK EXPECTATIONS**

All assigned class work is expected to be completed by students either in school or as homework. Homework is assigned on an as needed basis. If students allow themselves to get behind in their work, they may be put on **probation**. This means they will be given one calendar week to complete all assignments. If assignments have not been completed at that time, students may be suspended from class or school until the work is completed.

➤ **CONDUCT POLICY - DISCIPLINE CYCLE**

The following statements reflect the philosophy of Ecole Arthur Meighen School regarding student discipline.

1. We believe that student discipline is a continuing process, the ultimate aim of which is the development of self-discipline on the part of the student within the school community and the community as a whole.
2. While it is the collective responsibility of all staff members to discipline students in the building, the goal of student self-discipline is more attainable when there is on going communication and co-operation among parents, students, and school.
3. Most discipline problems should be addressed by teachers on a daily basis in their classrooms through effective classroom management techniques.
4. Teachers shall exercise such discipline as would be exercised by a kind, firm, and judicious parent.

5. Teachers and staff members will also concern themselves with character development and will give input (praise, criticism, guidance, direction, discussion, broadening of perspective, etc.) as regularly as necessary in such areas as respect for others, respect for property, manners, honesty, thoughtfulness

➤ **EXEMPTIONS FOR GRADES 7 & 8**

Students may earn an exemption from writing modules in June by:

- 1) achieving a final mark of 75% or better in a subject  
AND 2) maintaining a proper standard of work until the end of the year in that subject.  
AND 3) regular attendance and proper behaviour in that subject.

All three conditions must be met to receive an exemption.

➤ **EXTRA-CURRICULAR ACTIVITIES/CLASS TOURS**

Ecole Arthur Meighen School offers a variety of activities to provide students with opportunities to develop their interests and to make school experiences more enjoyable. Please note that parents may be responsible for any extra costs involved. Parents are encouraged to participate and "get involved". Some of the activities we offer are:

basketball    volleyball    track & field    student council    badminton    dances  
yearbook    swimming    downhill skiing    noon activities    curling

A teacher or another responsible adult will supervise all extra-curricular activities and class tours. Parental permission forms will be sent home, explaining the details of any tour or class trip. These **must** be returned signed by a parent or guardian. A student may be asked to withdraw from extracurricular sports if these are interfering with proper academic progress.

➤ **FIRE DRILLS**

Fire drills will be held during the year, on a regular basis - ten per year.

➤ **INAPPROPRIATE BEHAVIOURS**

All unacceptable behaviours and the actions taken will be recorded on a database in the office. Our discipline policy is *progressive*. Students are expected to learn from their mistakes and not repeat them, but if the student continues to show inappropriate behaviour, the seriousness of the discipline consequence is increased.

➤ **ILLNESS**

When a student is ill and cannot attend school, we request that the parent/guardian send a note to school explaining the absence when the student returns to school. If a student develops an illness during school hours, the student or someone from school will phone home and report the situation. At that time a decision on the course of action will be made - either to send the child home, arrange for pick-up or make other arrangements.

➤ **LIBRARY - LIBRARY BOOKS**

The Library will be open from 8:30 a.m. to 4:00 p.m. including most noon hours. It is an interesting and quiet place in which to do research. Our library is equipped with computers, CD ROM system and internet to assist you. Please do your share to keep it clean and make certain to follow our procedures for signing out books. Return borrowed books on time as others may wish to use them also. Remember, you **must** pay for damaged or lost books.

➤ **LOST AND FOUND**

Each year a great number of articles of clothing, jewellery, watches, keys, etc. are turned into the lost and found area in the office. Many of these articles are of value and are never claimed. Students are reminded to continually check for articles they may have lost. We would encourage parents to mark their children's property, where possible, so belongings may easily be returned. When parents are in the school, please check the lost and found area for any article your child may have lost. "Lost and Found" will be displayed at both Student-Led Conferences and at Awards Day in June. Items will not be kept indefinitely.

➤ **LUNCH ROOM**

**We strongly encourage parents who live within walking distance of the school to have their children return home for lunch.**

- a) Students in grades 5 to 8 will eat in their homerooms. Students are to remain in the lunchrooms until 12:10 PM. No Grade 7 & 8 students are allowed to eat outside.
- b) Students must leave the lunchrooms clean and tidy.
- c) Students who stay for lunch are not allowed to leave the school grounds at any time unless a note is received from parents. This must be done each and every time.
- d) **BECAUSE STAYING FOR LUNCH IS A PRIVILEGE, STUDENTS WHO CONTINUALLY MISBEHAVE OR ABUSE LUNCHROOM RULES, WILL BE REFUSED PERMISSION TO EAT LUNCH AT SCHOOL.** Parents will be notified if this course of action is to be taken with their child.
- e) Students are not allowed to go to the Co-Op to buy a lunch.

➤ **NEWSLETTERS**

Newsletters are published on a monthly basis and sent home with the student, and can also be found on the school website: <http://www.plpsd.mb.ca/eams/>

➤ **PERSONAL APPEARANCE**

Dress and grooming are important to the Student Body at any school. We ask that the students use common sense in their personal appearance and not wear clothing that can be hazardous in learning situations such as labs, shops, or gym. Students must wear shoes at all times. If situations arise where teachers and administration make a judgement that any apparel is offensive and/or inappropriate, students and/or parents will be notified and asked to correct the problem. **Students will not be allowed to wear jackets in class and are not allowed to wear hats in school.** As well, students are requested to have two pair of shoes: one pair for wearing in the school gymnasium; a second pair for class and outdoor wear.

Heavy chains on wallets or worn as jewellery are not allowed. Students will be asked to remove them and they will be kept in the office until dismissal. Our dress code applies to students on Field Trips and all dances.

## EAMS DRESS CODE CLARIFICATION

### ➤ PERSONAL PHONE CALLS

A student phone is available to students for personal phone calls, to be used only at breaks. School policy is that we will not call students from class to the office phone, unless it is an emergency. Only calls from immediate family will be forwarded.

The school secretaries will take phone messages for students and have them return a call at break or noon hour if necessary.

### PHYSICAL EDUCATION

The Portage la Prairie Physical Education Teachers Association shall select a chairperson to liaise with the chairperson of the Principal's Council and the Superintendent's Department.

Issues that are not resolved by the Physical Education teachers shall be referred to the Principal's Council for resolution.

**24-Hour Rule (June 2004):** A parent/guardian may not approach a teacher and/or coach regarding a concern that involves their child and his/her participation in an athletic event until **24 hours** after the concern was noted. Examples of a concern that would fall under the 24-hour rule would be playing time, coaching techniques, disciplinary issues, etc. Concerns that involve the direct safety of the child do not fall under the 24-hour rule. At the end of the 24-hour period the parent may contact the schools' administration in consultation with the schools' Physical Education Department to express their concerns.

All teams who do not have a teacher as a coach are expected to have a teacher on the bench to act as a supervisor for that team.

This applies to instances when you have non-teaching staff or community members coaching a middle years' team. Supervision expectations extend to after all games until all students from that team have been picked up and have left the school venue.

**Failure to do so will result in that team/player not being allowed to participate.**

Chain of Communication (June 2010):

The correct method for communicating concerns or requests from one school to another school, is for the requesting school's Physical Education teacher to approach the home school's Physical Education teacher regarding the concern or request.

The PLPPETA does not support members from one school community personally contacting another school's Physical Education teacher regarding a request or concern. Should this happen that person shall be requested to follow the appropriate chain of communication before the concern or request will be addressed.

➤ **PLAYGROUND EXPECTATIONS FOR STUDENTS**

1. I am expected to observe the no contact rule.
2. I am expected to play safe games that will not harm or potentially endanger others or myself. Some examples of dangerous games are tackle football, tackle soccer, throwing snowballs, and play fighting.
3. I am expected to use school and recreational equipment appropriately.
4. I am expected to respect the rights of participants in organized games and not to disrupt the activity.
5. I am expected to play in the designated areas.
6. I am expected to ask permission of the supervising teacher before re-entering the school.
7. I am expected to leave all snow, ice, stones, bricks, branches on the ground and never to throw them at anyone or anywhere on the school grounds.
8. I am expected to show caring behaviors towards others.

➤ **PROGRESS REPORTS - VISITATION DAYS**

Three major written reports will be sent home. In the fall, spring, and at the end of June. Two Student Led Conference days will be arranged; one in the fall and one in the spring. In addition to this, interim progress reports may be sent out to parents who should be informed of specific weaknesses or problems. We would be pleased to discuss your child's progress with you at any time.

**NOTE: Students are expected to attend both 1<sup>st</sup> and 2<sup>nd</sup> Conferences.**

➤ **PUBLIC HEALTH NURSE**

The Public Health Nurse visits our school monthly. If you have any concerns, she may be contacted at 239-2413.

➤ **PUNCTUALITY**

Students are expected to be punctual. If a student arrives late (after registration either in the morning or the afternoon,) the student must sign in at the office. If it is determined that the late is not due to a legitimate reason the student may be denied access to class. Note: parents and guardians will be informed and expected to be part of an action plan to solve the problem.

➤ **RESOURCE TEACHERS**

The services of the Resource Teachers are available to all teachers and students. The principal duty of the Resource Teachers is to assist in the teaching of students who are having difficulty learning. Students may be referred to resource by their teachers, their parents, or by the School Administration.

Referrals to student services (Psychology, Speech & Language, Reading, Hearing) should be made through the Resource Teachers or Guidance Counsellor.

➤ **SCHOOL ACCIDENT INSURANCE**

Accident insurance forms will be available to all students in September. It is the responsibility of the parent to apply for this coverage if they wish. Note: insurance is required for all students who wish to participate in school field trips, most importantly the annual Ski Trip. (Blue Cross is acceptable)

➤ **SMOKING**

The Portage la Prairie School Division is a smoke free division. As such smoking is not allowed in any building, on any grounds belonging to the division, or at any school-sponsored event. At Ecole Arthur Meighen School, smoking is not allowed on the grounds, or any side of the street bordering the grounds. If a student can be seen smoking within sight of the school they will be given the penalties outlined by the School Division's policy, i.e. a one day out-of-school suspension the first time caught, a two day OSS the second time, etc.

➤ **STUDENT COUNCIL**

The student body has the opportunity to participate in student council. The student council organises social activities, and assists with sports programs and house leagues. It is important that conscientious students be involved in the council. The council will be formed early in the school year.

➤ **SCHOOL SAFETY PROTOCOL** (River Road, Traffic and Bus Loop)

1) All parents, guardians, or car pool drivers who are dropping off, or picking up their students to EAMS are expected, **for safety reasons**, to use the school parking lot drop off area **NOT** River Road or business properties. The practice of stopping to drop students off on River Road (PR240) is not only dangerous but also illegal.

*If you want to drop students off earlier, the school is open early in the morning and students are allowed in the building when they arrive – no one has to wait outside in the cold.*

2) If students living “downtown” are leaving for lunch (to go home or to the hot-lunch program run by the Friendship Centre), they must use the walk way on the west side of River Road and cross at the River Road and Koko Platz crosswalk.

3) **No** students are permitted to leave the school grounds during the school day unless they are going home for lunch. Students are not allowed to go to the Co-Op at any time, including after school while waiting for the school bus, or after their arrival by bus before 9:00 a.m.

If students leave the grounds to go to the Co-Op there will be special disciplinary measures to discourage this. Students leaving will receive a warning and phone call home for the first offence, a two day suspension for the next offence and so on.

*If your child has special dietary concerns that can not be presently met by the school's lunch program please call me and we can arrange to stock the items the Co-Op has.*

4) No public traffic is allowed through the bus loop when students are playing in the playground at noon hour (12:08 – 12:48) or recesses (10:20 and 2:06). The bus loop is a restricted area and protected by law. License plate numbers will be recorded and sent to the RCMP.

5) Students walking to school from the Koko Platz – Mellenville area are reminded to use the back lane behind Ecole Crescentview School and to walk on the side of the road when they get to Bridge Road.

*The safest methods of getting to school are school bus or parent drop off on the school grounds. Any other method is not considered safe.*

➤ **SUBSTITUTE TEACHERS**

Substitute teachers have a very difficult job. When they come to work in our school, they do not often know the students and class situations. It is our expectation that each student will fully cooperate at all times with a substitute teacher. Any violations will result in the student being removed from class. It may result in phoning a parent and being sent home for the remainder of the day.

➤ **TEXTBOOKS**

Textbooks issued to students become their responsibility. **Students will be expected to pay for texts damaged or lost.** Textbooks will be checked periodically by the homeroom teacher.

➤ **TRESPASSING AND LOITERING**

Trespassing on personal property will not be allowed. Students must keep to public walkways coming to school and returning home.

Loitering in groups on the street corners, or private properties around the school will not be tolerated. (You may meet in groups on the school grounds.)

Trespassing and loitering will result in detentions or suspensions.

➤ **TRUANCY**

Truancy is defined as the absence from school for reasons not covered by the Public School's Attendance Act [260.1(2)]. This Act states, "that for short periods of time, children may be legally absent from school because of sickness or other unavoidable cause...e.g., school sponsored activities; court appearances; death in the family; or because of a religious holiday." All other reasons for absenteeism could be considered as truancy.

Truancy shall be dealt with in the following manner:

- ◆ Student may be required to make up missed time - morning, at noon, or after school. (Maximum detention time shall not exceed one hour/day unless special arrangements have been made with the parent/guardian).
- ◆ For frequent or chronic truancy, the student will be placed on a special monitoring list and shall be reported to the School Division's Attendance Officer. Parents can be prosecuted for not ensuring their child attends school on a regular basis. In School or Out of School Suspensions may result from chronic truancy.

In all cases of tardiness or truancy, the student is responsible for missed work. The assignments missed must be made up before the beginning of the next class.

➤ **VALUABLES AT SCHOOL**

Students are asked **NOT** to bring valuable items or large sums of money to school. If they are lost or stolen the school cannot and will not replace them. If, for some reason, students must bring large sums of money to school, the student should ask the teacher or the office to care for it.

**NOTE** - Students are asked **NOT** to bring the following items to school: **Disc-man, MP3, Ipod, game boy, roller blades, skateboards, pagers or cell phones.**

**Locks are available from the office for \$ 5.00.** We encourage students to purchase a lock from the school because we can guarantee the lock (if it breaks).

➤ **VISITORS TO THE SCHOOL**

All visitors to the school are most welcome. We would ask that you first report to the office so that we are able to properly monitor who is in our school at all times.

**Mandatory Five Day Out of School Suspensions result from weapon offences.**

**Mandatory Four Day Out of School Suspension for Drug and Alcohol offences.** (Three days if counselling is agreed to.)

**SCHOOL PROGRESSIVE DISCIPLINE  
(PLAN FOR DEALING WITH OFFICE REFERRALS)**

The Discipline Cycle is intended to serve as a guideline in dealing with office referrals for MAJOR or ILLEGAL offences. Staff should use the Discipline Referral Form when sending students to the office. A student may be given consequences that are more serious. This decision is made based on: student age, seriousness, and frequency of the misbehaviour.

### **STEP #1: STUDENT ACTION PLAN**

Students referred to the office are invited to develop a corrective plan to resolve their problem. They will be taught problem-solving techniques to assist them in this process. Students refusing to assume this responsibility for their actions may have a consequence set for them. A decision is made by the seventh office referral to either extend Step #1 or move the student to the next level (Step #2).

**Note** - Persistent violations of classroom rules may be referred to the School Support Team, which will utilise a team approach for resolution.

**Exceptions To Step One (Action Plan):** If the actions of the student are severe enough the following exceptions will apply to Grades 5-8.

✓ **Exception A.** Swearing at or in the presence of staff; bullying; threats; fighting; gang activity or related paraphernalia, tobacco products & other illegal acts, can result in immediate suspension.

**First Offence:** One to three days.

**Second Offence:** Two to five days.

**Additional Offences:** Five or more days

✓ **Exception B.** Students referred to the office by a Substitute Teacher for non-compliant behaviour may be required to immediately contact their parent/guardian and may be sent home for the balance of the day.

### **STEP #2: IN-SCHOOL SUSPENSION (ISS) / OUT-OF-SCHOOL SUSPENSION (OSS)**

If the student continues to demonstrate an unwillingness to comply with school behaviour expectations he/she may be suspended either in-school or out-of-school from one to five days (possible extension by Superintendent's Department). On the twelfth referral, a decision is made to either extend Step #2 or move the student to the next level (Step #3).

### **STEP #3: BEHAVIOUR MANAGEMENT PLAN**

The student will be placed on a Behaviour Management Plan (BMP). Development of this plan will largely be the responsibility of the parent/guardian with input from the school, Superintendent's Dept. and possibly outside agencies (counselling, etc.). The BMP may include provision for temporary removal of the child from regular class, e.g. half-day out of class, half-day in. Full re-entry to class is based on demonstrated acceptable attendance and behaviour by the student on a regular basis.

### **STEP #4: PERMANENT REMOVAL**

Final resort when all efforts have been exhausted and the student continues to remain a high risk to the learning and/or safety of others. The Superintendent's Department and/or the School Board may decide to transfer, place on home schooling, issue a school-leaving certificate (age 15 1/2-yr.), place on an extended suspension, or expel the student.

# EMERGENCY PLAN

## EVACUATION

If for some reason during the school year an emergency of severe magnitude prevents our students from remaining in the school, the following evacuation procedure will be used.

### EVACUATION PROCEDURES (All Grades 5-8)

1. At the sound of the fire alarm or P.A. announcement, all the students and school personnel will leave the building by means of a predetermined evacuation plan.
2. If, for any reason, the normally used exit is obstructed (i.e. flames, debris, etc.), the designated alternate route will be used.
3. Students and staff will assemble outside in a specified area that is 'safe' and will not obstruct emergency vehicles and work

### ALTERNATE ACCOMMODATION

In case the weather is inclement or if the nature of the hazard demands it, the students will be sheltered at these location(s): (in this order)

1. Ecole Crescentview School  
751 Crescent Rd. E. (857-3475)

### COMMUNICATION TO PARENTS

1. If the evacuation is temporary and the building re-entered after it is declared safe, a 'notice to parents', indicating briefly the cause for the evacuation and procedures used, will be sent home with each 5 - 8 student. Fire Drills are **NOT** considered an evacuation.
2. If the nature of the evacuation is such that the students would not be able to return to the building before the normal dismissal time, then the following steps will be followed:
  - \* CFRY (857-5111) and Mix 96.5 (857-5111) would be contacted by the superintendent or designate and provided with the following information:
    - a) purpose of the school evacuation
    - b) the location(s) where the students are sheltered
    - c) directions regarding the pick up of the students
    - d) if made necessary, information regarding the relocation of the students to an alternate location
    - e) naming of a contact person(s) and phone numbers during the 'state of emergency or evacuation'
    - f) other pertinent details regarding the emergency situation
  - \* If it's necessary to send selected students home before the usual dismissal time, parents of students will be contacted prior to the students being dismissed.

### MAJOR DISASTER

In the event of a major disaster (i.e. toxic fumes from a train derailment, burning building, explosion, highway accident, or an airplane crash, tornado, etc.), the city's 'Emergency Plan' would immediately take effect.

If the nature and/or magnitude of the emergency requires the warning of the general public, the city bell will ring for 5 minutes to advise the public to tune to CFRY (920AM) or Mix 96.5 (931FM) (Ref. City Manual S1.0.2).

## **PROGRESSIVE DISCIPLINE PLAN GUIDELINES**

**FILE: CBC**

These guidelines are intended to be the basis for the progressive discipline plans that are to be developed and utilized at each school.

The primary purpose of a progressive discipline plan is to bring about improvement in behaviour. This is accomplished by establishing a set of clearly understood expectations, that are fair and reasonable, along with a series of consequences for those who choose not to follow the expectations.

The stated consequences should have a clear relationship between the misbehaviour and the nature of the consequence. Relevant consequences enhance the likelihood that the misbehaviour will change.

In dealing with chronic and/or serious discipline problems, the principal is expected to incorporate an individualized Behaviour Management Plan into the progressive discipline plan.

**Adopted: August 26, 1993**

The following guidelines are to be followed in dealing with students who violate the drug and alcohol policies of the Division.

1. Violation of drug and alcohol policies is cause for disciplinary action according to Division and School progressive discipline procedures.
2. Students who are suspected of being in possession of, and/or under the influence of alcohol or other drugs must not be left unattended. If this situation arises in class, the teacher will summon an administrator to the class for assistance.
3. The principal will be responsible for conducting an investigation of the situation and documenting all relevant information.
4. The principal will contact the parents immediately upon completion of the investigation and, if appropriate, contact the R.C.M.P. The superintendent is to also be informed.
5. **TRAFFICKING:** Where there is sufficient cause to believe a student(s) is supplying alcohol or other drugs to students, a 5-day suspension will result with a possible recommendation for further action, including expulsion, by the Board.
6. **SUSPICION OF USE:** Any cases of “suspected” use of alcohol or other drugs by students during the school day or during any school function, must be reported to the school’s administration immediately by staff members.
7. **1<sup>st</sup> OFFENSE:**
  - Impose a 4-day suspension.
  - A 4-day suspension may be reduced to a 3-day suspension if both the parent and the student agree to an assessment with the school AFM counselor.
  - The 4-day suspension will stand if the parent and/or the student do not agree with the assessment.
  - Follow-up will be determined by the school administration in this case to ensure that the student does receive counseling services.
8. **2<sup>ND</sup> AND SUBSEQUENT OFFENSES:**
  - 5-day suspension and mandatory referral to AFM services for an assessment.
  - If refusal occurs – referral to Senior Administration.
  - At any time, if residential treatment is the option taken by a student and his/her family, the school will continue supports and connections with the student or will be available for such when called upon to do so.
9. In the event the policies are violated while the student is on a field trip or at a school-sponsored event outside of the school, the supervising staff member will contact the principal. The principal will be responsible for finalizing a plan to deal with the student(s), including contacting the parents. If the student is to return home, the parent will be responsible for all arrangements, including the cost of public transportation, if required.
10. In the event a search reveals alcohol or illicit drugs; the principal shall secure the items until such time as release has been authorized by the R.C.M.P. The student(s) involved shall not be left unattended.

# Portage la Prairie School Division

## Internet Acceptable Use Policy

The Portage la Prairie School Division is pleased to bring Internet access to the students and staff of the Division. We believe the Internet offers a wide variety of unique resources to both students and staff. Our goal in providing this service to teachers and students is to promote educational excellence by encouraging resource sharing, innovation, and communication.

The Internet is an electronic highway connecting thousands of computers and millions of individual users. Students and staff have access to:

1. Electronic mail with people all over the world.
2. Information and news from government sources, research institutions, and other sources.
3. Public domain software and shareware of all types.
4. Selected discussion groups on a wide range of topics.
5. Many public and private libraries and educational resources.

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value. We firmly believe that the valuable information and interaction available on the Internet far exceed the possibility that students may access material that is not consistent with the educational objectives of the Division.

Teachers who wish to use the Internet with their classes are responsible for guiding student access to appropriate sections of the network and for ensuring that students understand the consequences of misusing this privilege.

Students are responsible for accessing network services and for using the network appropriately according to school policy.

Parents are responsible for reinforcing the school goals of promoting responsible Internet use.

### Conditions of Use

Students using school computers for Internet access must agree to the following conditions.

#### 1. Acceptable Use -

I will use the Internet at school

- a) to conduct research
- b) to communicate with others about school work.

I will be responsible for how I use the Internet at school.

#### 2. Unacceptable Uses -

I will not use the school computers and/or the Internet for unacceptable uses. These include (but are not limited to):

- a) vandalizing computer hardware, software, or data of other users
- b) gaining unauthorized access to computer systems
- c) using accounts of other users
- d) downloading information onto school computers without approval from the teacher
- e) subscribing to e-mail lists using division accounts.
- f) accessing controversial material which is inappropriate or offensive
- g) transmitting copyrighted, obscene or illegal material.
- h) threatening anyone or committing illegal acts.
- i) using school computers and the Internet for commercial purposes.

## 2. Network Etiquette -

- a) I will be polite, and I will not swear or use inappropriate language.
- b) I will not reveal personal information, such as addresses phone numbers, or passwords of anyone.
- c) I understand that electronic mail is not private and can be read by system operators.
- d) I understand that all information available on the network is the private property of others.

## 3. Accuracy of Information -

- a) I understand that information from the network may not be accurate or true.
- b) I understand that the division does not make any guarantees about the truthfulness of information found on the network.
- c) I will cite in my research any information (text video, graphics etc.) found on the network, the same as I would any material found in printed materials.

Division teachers and administrators will deem what is inappropriate use, and their decision is subject only to confirmation by the Portage la Prairie School Board. Student privileges to use the Internet may be revoked for violating any of the above conditions of use.

## CyberSchools Access Policy

CyberSchools Manitoba Internet Portal (the "Portal") is made available to educators and students in Manitoba public schools. The Portal is intended to provide a safe and secure environment for Manitoba students to develop their skills in using the Internet in order to communicate easily and effectively with others in the electronic age. The Portal is made available to all K-S4 students, teachers, administrators and other School Division staff. It provides qualified users with a personal email account, online calendar, network file storage, web space and other services.

CyberSchools services are made available to students and staff who agree to act in a considerate and responsible manner. In order for students to qualify for CyberSchools services, parents must complete the attached Parent Permission Section. Students over the age of 18 and School Division staff need only complete the Student/User Responsibility and Commitment Section. Users are responsible for safeguarding and protecting their user access identification and for their behaviour and communications over the CyberSchools network.

Portal access is provided by Manitoba Education Research and Learning Information Networks ("MERLIN"), a Special Operating Agency of the Government of Manitoba. In order to maintain system integrity and to ensure that users are using the system responsibly, content filters may be used which scan for obscene or threatening language. By agreeing to this Acceptable Use Policy, users and their parents/guardians consent to the disclosure by MERLIN of certain "personal information" as defined in *The Freedom of Information and Protection or Privacy Act (Manitoba)*, (including the user's name, home address, e-mail address, school division, school and any other information that may be relevant to the particular case), to the appropriate authorities. This may include the school, the School Division, the user's parents, affected persons or their parents and, in extreme cases, the police.

**STUDENT ATTENDANCE**

1. All student absenteeism (Kindergarten to Senior 4) must be covered by an explanation from the parent, guardian or responsible adult. Students over the age of 18 years and living away from home shall be responsible for their own attendance.
2. Each principal will establish procedures for receiving explanations of student absenteeism from parents or guardians.
3. Explanations of student absenteeism must include:
  - a) The date,
  - b) Information pertaining to the reason for the absence,
  - c) If in written form, the signature of the parent, guardian or responsible adult.
4. Unexplained student absenteeism, chronic tardiness and cases of truancy are to result in a home contact by the teacher or principal. Such contacts are to provide information and to solicit support to resolve the problem. Students who are chronically tardy may be denied access to class. Truancy cases shall be handled individually, utilizing a progressive discipline approach, based upon the circumstances of each situation.
5. Absences not covered by a satisfactory explanation that have not been resolved by the school staff are to be immediately referred, in writing, by the principal to the appropriate member of the school division staff or outside agency. Cases of chronic tardiness may also be referred in the same manner. (i.e. school counsellor, Division Attendance Officer, Superintendent's Dept., R.C.M.P., Child and Family Services, etc.)
6. Students who are required to be absent due to chronic medical conditions or ongoing medical treatments shall make the necessary arrangements with the principal.
7. Arrangements for family holidays, work schedules, camps etc. during the school year should take into account school schedules such as exams. Parents are expected to discuss planned family activities that interfere with school with the principal at least one week prior to the start of the activity. Students who miss school for such activities will be expected to complete the work they miss and be ready to resume regular class work upon their return.
8. Students in Senior 1 to Senior 4 who are absent from an examination, due to illness, must immediately advise the principal and may, under exceptional circumstances, be required to provide a medical certificate to verify the illness.

**CELL PHONE/PAGING DEVICE/ELECTRONIC COMMUNICATION DEVICES**

The Board of Trustees recognises that it may be necessary for some students to be in possession of cellular phones or other devices for communication with family and/or for safety reasons while at school. However, the educational integrity of the school, privacy of others and safety during school emergencies must be protected at all times. Therefore, the following conditions will apply:

1. All communication devices must be turned off when the student arrives at the school. These devices must not be activated or used in school during the school day or any other time designated by a staff member.
2. For safety reasons, the student must turn off all communication devices prior to getting on a school bus. Permission to use the communication device must be given by the staff member in charge of the bus.
3. The school division assumes no responsibility in any circumstances for the loss, destruction, or theft of any communication device brought to school or to any school related activity by a student.

The consequences for violation of this policy will be in accordance with the school discipline cycle. This could include suspension and expulsion.

The Portage la Prairie School Division appreciates the cooperation of parents/guardians in the implementation of this policy.
