June 24, 2021

Dear Graduates and Parents/Guardians:

In regards to the announcement yesterday about upcoming changes to the Public Health Orders coming into effect this weekend, the Division is seeking clarification from the Province about whether this changes the number of people permitted to attend outdoor school events. As soon as we hear the response from the Province, we will let you know.

Further to the letter from June 15, 2021, here are the details about the Convocation & Award Ceremonies. Please review the following information carefully as we will not be having a Grad rehearsal this year.

Parking, Arrival Time & Meeting Area

Graduates are to park in the Student Parking Lot and go to the West Gym. Please arrive 30 minutes prior to your scheduled ceremony with your cap and tassel, grad gown and face mask. This will give graduates time to watch the Prom Video, sign the Class of '21 banner, and get organized before the Procession. Scripts are being prepared and will be given to each of the graduates at this time as well. Graduates can wear their prom outfits under their gowns if they choose.

Procession & Seating

Graduates will line up in the West Gym in whichever order they choose. When the processional music begins, PCI staff will guide the graduates on their route onto the athletic field. After the graduates are seated, the Indigenous drumming will begin and the Indigenous dancers will follow the same route. Two of the dancers are fellow graduates including our Valedictorian. Chairs will be reserved for our Valedictorian and designated School Board Trustee.

In Case of Rain or Extreme Heat

A tent will be set up to the side that still has a view of the stage. If it is raining, the graduates will be seated under the tent. At this time, the weather forecast looks hot and sunny for Monday and Tuesday, and graduates may wish to seek shade under the tent during the ceremony.

For Each Ceremony

Mr. Waldvogel will welcome the PCI graduates and a designated School Board Trustee will bring greetings from the School Division. Following this, PCI Class of '21 Valedictorian Jacinda Houle will

share her speech with her classmates. After speeches have been completed, the Convocation and Awards portion will begin. A PCI staff member will direct the graduates to the stage one at a time, with their script. The script will be handed to one of the Vice Principals to be read. The graduate will stand with Mr. Waldvogel to receive their diploma and the graduate can remove their mask for the photo. The graduate will then put their mask back on, exit the stage and return to their seat.

After all of the graduates have received their diploma, Mr. Waldvogel will have the graduates move their tassels to the left side, indicating they have officially graduated. He will then announce the tossing of the graduation caps. The Vice Principal on stage will take pictures of this momentous event.

After the Ceremony

Graduates will be asked to proceed off the athletic field and will be directed towards the various photo booth stations on the plaza. PCI staff members will assist with taking the photos with the graduates' devices and they will be sanitizing between each. An announcement will be made when it is time to leave the plaza area to ensure the area is cleared for the next ceremony. Graduates will be guided to the West Building entrance by the flagpole. They will return their gowns beside the West Office and then proceed down the north hallway to pick up their grad packages. Graduates will exit the north doors of the West Building to the student parking lot. Staff will be in the parking lot to help direct traffic.

Access to Photos and Live Stream

Photos taken during the ceremony will be edited and posted afterwards on the PCI website under the Grad 2021 tab. Each ceremony is being live-streamed on YouTube PCI Channel 1 and these links will also be posted on the website.

Please see the attached map to help provide a visual of the stage and processional route.

Congratulations to our PCI Graduates! We wish you all the best in your future endeavours.

Sincerely,

Mr. Gregg Waldvogel
Principal
