

# GRAD NEWS

## Grad Gowns

Reminder for Grads: Please check your school email account and fill out the google form for your grad gown measurements.

## Grad Fees

Grad fees are \$45 and help to cover the costs associated with Grad (grad gown rental, composite photo of all graduates, ceremony expenses, etc.) Included in this fee is the cost of one raffle ticket booklet valued at \$20 - when you sell the booklet, you can keep the \$20. Please see Mrs. Murray to pay your grad fees as soon as possible.

## Grad Portraits

Grad portraits are scheduled for April 14-16 in the PCI Library. There is a \$25 sitting fee payable at the time of booking. For students who do not want a full sitting, please sign up for a composite picture, free of charge, for the yearbook and grad composite photo. Every grad receives the grad composite photo in their grad package. This is the photo that includes all PCI grads for 2021.

We will let you know once the portrait bookings are open.

## Grad Tea

Due to COVID-19 health restrictions, we will not be hosting our traditional PCI Grad Tea this year. This is our only grad fundraiser, and we will be selling Silent Auction/Raffle Tickets which will be available from our graduates in March. Our graduates are encouraged to sell as many booklets as possible. If parents or community members would like to make a prize donation for our draws, please contact Charlotte Mason at [cmason@plpsd.mb.ca](mailto:cmason@plpsd.mb.ca).

## Student Voice

Grad information will be shared with students through a Google form in the Grade 12 Google Classroom. Students will have the opportunity to indicate preferences and provide feedback (eg. class valedictorian nominations, ceremony grouping preference, grad recognition, Grade 12 highlight video, etc.) The Google forms will need to be submitted by March 11th to help with planning.
