PORTAGE LA PRAIRIE SCHOOL DIVISION 2020/2021 BUDGET SURVEY

The Board of Trustees has developed a survey to help inform decisions for the 2020-2021 Budget. The survey will be open from January 8 to January 22, 2020. The survey will be available on the divisional website and will be posted on the Division's Facebook and Twitter Account.

PHYSICAL EDUCATION

We have been very lucky the weather has allowed us to be outside without being uncomfortably cold. Students should continue to dress for the weather as we will continue to have some classes outdoors. We do have the use of our gymnasium again which will allow us to work on some different skills. Students are asked to bring a clean pair of runners to wear indoors.

A big thank you goes out to the Community Foundation of Portage and District for approving our grant proposal for an asphalt pad and two outdoor basketball systems. This will allow us to keep students spread out and active at break times and be available to the neighboring community after school. We are hoping for an install in early spring. Please support the Community Foundation as they do a lot of great things for Portage la Prairie.
