OLD BUSINESS

Fundraising – Canteen for tournaments

A request was put forward by the school for the Home and School Association to provide a canteen for the badminton tournaments being held during March and April. The decision was made to focus on finding volunteers to look after the 3 Tuesdays and 3 Thursdays in the Month of April. If volunteers were available, C. Lupkowski would look after the purchasing of food and beverages for the canteen. There are also some tournaments in October for which we could consider providing a canteen.

Purchase of Front Entrance Monitor/Picture Frame

One electronic picture frame has been purchased at a cost of \$223.99 and has been installed in the front foyer. It was decided that one would be sufficient as the school has a monitor/computer to set up in the second location.

Breakfast with Santa

Final report reviewed and is now included in the E.A.M.S. Home and School binder.
