

PORTAGE LA PRAIRIE SCHOOL DIVISION

“Dedicated to the Pursuit of Excellence”

November 12, 2020

Dear Parent / Guardian,

On Monday, November 9, 2020, the Manitoba Education Minister announced that three non-instructional days will be added to the provincial school calendar in order for teachers to prepare for the possibility of transitioning to Remote Learning. Divisions have been informed that two of the non-instructional days must be held by the end of the 2020 calendar in order to expedite preparations.

Remote Learning will be implemented in the event that schools are required to move into Red Level (Critical); Manitoba schools currently remain in Orange Level (Restricted). To this point, the PLPSD has been operating without engaging Remote Learning, as our schools remain safe for in-person learning.

The PLPSD will be implementing the three non-instructional days as follows:

- **Monday, November 30, 2020**
- **Tuesday, December 1, 2020**
- **Monday, March 22, 2021**

The PLPSD apologizes for any inconvenience that this may cause parents given the short notice of the announcement.

Sincerely,

R. Todd Cuddington
Superintendent/Secretary Treasurer
Portage la Prairie School Division
