Dear Parents/Guardians;

This letter is to notify you of our lunch hour expectations regarding students staying for lunch. **Students residing within reasonable walking distance of the school are expected to return home for the noon break.** Students are allowed to remain at the school during the noon break if: the weather is unfavorable, the student is involved in school activities, additional tutoring is being provided, or other extenuating circumstances warrant. It is expected that all students staying for lunch will be cooperative and respectful. If a student is not cooperative, they may lose their lunch privileges. We ask that parents help us, in keeping our supervision manageable, by following these expectations.

Please note that children will have outside breaks up to -27, please be sure your child has proper outerwear.

Sincerely,

Mrs. Michelle Laidlaw  
Principal
