

PORTAGE LA PRAIRIE SCHOOL DIVISION NO. 24

STUDENT SCHOOL SUPPLIES

YELLOWQUILL SCHOOL

School Year 2010- 2011

Grade: 1K & 1H

Students are required to bring the following supplies to school for the first day.
Please place the student's name on all items.

Grade 1 students at Yellowquill School are being asked for a \$10.00 school supply fee. This fee will cover the cost of school supplies (pencils, crayons, scribblers, etc.) The Grade 1 teachers will be purchasing the materials needed in bulk and will store and distribute materials as needed throughout the year. This will ensure that all students have the correct notebook, glue sticks, etc.

The items listed below are required for the beginning of the school year. No other supplies are necessary.

Questions may be directed to the school or the Division Office.

School and supply fee	\$10.00
Backpack	
Kleenex	1 box
Runners for gym/indoor shoes (non marking soles), Velcro only, please.	

We would like to thank the Portage School Board for once again supporting our students by subsidizing the cost of school supplies, fees and regular school activities by providing \$20.00 for each student in our division.
