DEVELOPMENT OF ADMINISTRATIVE REGULATIONS

The Board is charged by law with setting up and administering schools according to the provisions of the *Public Schools Act* as well as other provincial and federal regulations.

To this end, the Superintendent is delegated responsibility for the development of administrative regulations which will serve to further clarify and define Board policy. The Board will be apprised of regulations in a timely manner.

The implementation of Board policies and administrative regulations in the schools is the responsibility of the Principals.

The Board will be apprised of administrative regulations in a timely manner.
