CHARITABLE DONATIONS

The Portage la Prairie School Division previously maintained a Charitable Trust in order to collect and record tax deductible donations of funds.

The Trust was established to fund achievement awards, bursaries, and scholarships in recognition of scholastic performance by students of the Portage la Prairie School Division. It is now administered by the Portage Community Development Corporation.

Specific donations to a particular school for items such as specialized equipment and materials utilized to enhance the educational experiences of students should go through the School Division (which has a tax number) but earmarked for that school.
