SPECIAL BUDGET ALLOCATIONS

Student Aid

The Board of Trustees shall include in its Annual Budget a category designated as Student Aid. The purpose of this category is to provide funds for special events, functions, services or materials that are not otherwise provided for in the Budget and are considered by the Superintendent to be worthy of financial support.

Requests for funds from this category must be submitted in advance in writing by the Principal to the Superintendent.

Authorization for the expenditures of funds from this category must be given by the Superintendent.

Requests for Donations and Financial Support

An allocation of \$500 shall be included in the Annual Budget to be used at the discretion of the senior administrative staff to support educational and/or cultural organizations that:

- a) support the educational objectives, and
- b) involve students,

from the Portage la Prairie School Division. See File DP-E
