### **BUILDINGS/GROUNDS/PROPERTY SECURITY**

The School Principal/site supervisor is responsible for establishing with the Supervisor of Operations, the necessary security plan and procedures to secure the buildings/grounds/property for which he/she is responsible against damage, incidental misuse, and willful criminal acts. They will set up security measures to prevent loss, and establish inventory and inspection procedures which will have the effect of quickly revealing any losses. Security plans and procedures will be consistent with other prescribed Division policies and procedures.
