### **SCHOOL BUS MAINTENANCE**

All buses will be maintained in a safe and efficient operating condition.

Manitoba Regulation 465/88 and School Division policies and regulations shall be used as the basis for the operation, inspection and reporting of activities relating to school buses. All employees having responsibilities associated with school buses are to be thoroughly familiar with P.P. 465/88 and relevant School Division policies.

All school buses display a completed and current school bus inspection certificate, based upon inspections by the school division mechanics.

Any school bus that does not meet the safety or mechanical standards of the School Division shall be withdrawn from service until deficiencies are corrected to the satisfaction of the Supervisor of Operations.
