CREDIT FOR COMMUNITY SERVICE (A STUDENT INITIATED PROJECT - SIP)

The Board recognizes that students can make a significant contribution to their community by volunteering for worthwhile causes or organizations. The civic skills, knowledge, and attitudes obtained from such community service activity can increase a student's self-esteem and maturity, and provide more awareness of the needs of others in the community.

Accordingly, a credit may be available to a student who participates in such activity in the senior years for graduation purposes. The granting of such credit will conform to the guidelines contained in the document: **Increasing Choice and Flexibility: Changes to Senior Years Graduation Requirements Status Report (June 2002).**
