STUDENT USE OF SCHOOL FACILITIES

Weekend and holiday use of school facilities by student groups requires supervision by Teacher(s) or adults (designated as agents of the School Division) and the approval of the Principal.

The Principal shall determine a supervisory schedule that recognizes the size of the group, the nature of the activity, and provides for the protection of the premises. Custodial assistance will be at the discretion of the Principal.

The Principal will be responsible for maintaining a record of weekend and holiday school use by student groups.

Public use of school facilities is provided for in policy KD.
