STUDENT GOVERNMENT (COUNCILS)

The Board encourages the formation of Student Councils, not only to provide enrichment activities for the schools, but as an exercise in good citizenship.

Students, especially at the Junior and Senior High level, are encouraged to form Student Councils comprised of elected representatives of the student body. Students have the responsibility to participate actively in the student government process.

Student Councils shall have an opportunity to share in the formation of general school policies, discuss matters of staff/student relations, and other matters of student concern.

The activities of each Student Council shall be under the direction and supervision of a staff advisor.
