

POLICY REVIEW AND EVALUATION

It shall be the policy of the Board to review its policies on a continuing basis in order to keep them up-to-date (See BE).

The Board will evaluate how the policies have been implemented. It shall rely on the school staff, students, and the community to provide evidence of the effects of the policies it has adopted.

The Senior Administration is given the continuing commission of calling to the Board's attention all policies that need revision, and for recasting them into acceptable written form for the Board's consideration.

The changes in policy, made in accord with File BEA, shall be printed and distributed to holders of the *Policy Manual*, who shall file the new pages in their manual. The Division's web site will be updated accordingly.
