PowerSchool Cybersecurity Incident Portage la Prairie School Division

FREQUENTLY ASKED QUESTIONS

The incident

1. What happened?

On January 7, 2025, PowerSchool informed the Portage la Prairie School Division that it had experienced a cybersecurity incident involving unauthorized access to certain customer information in late December 2024. The Portage la Prairie School Division is a customer of PowerSchool, like many other educational institutions across North America. PowerSchool provides a Student Information System (SIS).

PowerSchool also informed us that the unauthorized access included access to information related to the Portage la Prairie School Division. We await additional details from PowerSchool about the information involved and are committing to sharing details when we have them.

We have been informed that PowerSchool has contained the incident and that there is no evidence of malware or continued unauthorized activity in the PowerSchool environment. There have been no operational impacts on the Portage la Prairie School Division as a result of this incident.

2. Who did this and for what purpose?

This incident occurred at PowerSchool. We await additional details about the incident from PowerSchool. Unfortunately, organizations across the public and private sectors are increasingly being impacted by incidents like this.

3. How did you respond to the incident?

Upon becoming aware of the cybersecurity incident, the Portage la Prairie School Division has been working diligently to investigate, to request more details from PowerSchool and ask questions about the details it has provided to date. We have also been investigating this incident ourselves, with assistance from experts. We await additional details from PowerSchool about the information accessed as a result of this incident so we can take further action.

PowerSchool has informed us that it has taken various response actions, including containing the incident, informing law enforcement, investigating the incident, conducting a full internal password reset, and tightening password for all its internal accounts.

“Dedicated to the Pursuit of Excellence”

PowerSchool is in the process of notifying Canadian regulators about this incident. The Portage la Prairie School Division has already notified the Manitoba Ombudsman. PowerSchool has engaged Experian to offer two years of complimentary identity protection services for all students and educators whose information was involved. PowerSchool has also engaged TransUnion to offer two years of complimentary credit monitoring services for all students and educators whose information was involved and who have reached the age of majority. Starting in the next few weeks, PowerSchool will provide notice to students, parents/guardians, and educators whose information was involved, as well as a phone number to answer any questions they may have about the incident.

4. How long will the investigation take?

PowerSchool has advised it intends to provide additional details shortly. Once we have additional details from PowerSchool, we will seek to complete our investigation as quickly as possible.

5. Has the incident been resolved?

We have been informed that PowerSchool has contained the incident and that there is no evidence of malware or continued unauthorized activity in the PowerSchool environment. There have been no operational impacts on the Portage la Prairie School Division as a result of this incident.

The response

6. Has law enforcement been notified?

Yes, PowerSchool has advised us that it has notified law enforcement.

7. Has the Manitoba Ombudsman been advised?

Yes, the Manitoba Ombudsman has been advised.

The impact

8. Why did this happen to the Portage la Prairie School Division?

PowerSchool is a vendor used by many educational institutions in North America. We are a customer of PowerSchool and, as a result of the incident experienced by PowerSchool, we were impacted. We have no reason to believe that the Portage la Prairie School Division was a specific target in this incident.

The data

9. Has information been accessed? Was information from the Portage la Prairie School Division exposed?

PowerSchool confirmed that there was unauthorized access to certain PowerSchool customer data, including data related to the Portage la Prairie School Division. PowerSchool's investigation is ongoing and we await additional details from PowerSchool about the information accessed as a result of the incident. We understand that you may be looking for additional details as well. Rest assured that when we have details to share, we are committed to sharing them.

Based on our own investigation to date of the information stored in our Student Information System, we can advise that **no parent/guardian, staff, or student Social Insurance Number (SIN), banking, or credit card information has been identified as stored in our Student Information System.** PowerSchool has nevertheless advised us that the identity protection and credit monitoring offers mentioned above will be sent to all individuals with *any* information involved.
